

# Animae Caribe

Animation and New Media festival

**CELEBRATING THE ART OF ANIMATION IN THE CARIBBEAN  
25<sup>TH</sup> - 27<sup>TH</sup> NOVEMBER 2010**

## OVERVIEW

Animae Caribe is the Caribbeans foremost animation and new media festival. It is a creative space where animation, art, music, storytelling and technology meet. Over the last eight years we have been a platform for innovation, creativity and discussions, a platform for sharing, experiencing others and transfer of knowledge and expertise. It has also been a dynamic forum for youth participation and interactivity. This year we promise to continue to provide a creative platform for creativity and development.
